
Frizzenti Vino Frizzante (11%)

Made from Glera grapes. A young and light sparkling wine, making it an ideal drink for any occasion. Unlike Champagne, with its complex secondary aromas, Frizzenti has intense primary aromas which taste fresh, light and comparatively simple.

Frizzenti can be served pure, but also makes an excellent base for a range of cocktails. Prosecco was the original main ingredient in the Bellini cocktail and Spritz, and is a key ingredient in a wide range of premium cocktails.

Unlike Champagne and Spumante Prosecco, Frizzenti is a Vino Frizzante, or "lightly sparkling wine" in Italian. Smaller bubbles means a smoother drink which can be enjoyed as an aperitif and with meals alike. Frizzenti makes an excellent choice for all occasions and locations, including cocktail bars and restaurants.

Frizzenti Rosato (11%)

A sparkling pink variety, Frizzenti Rosato is made from a blend of Pinot Nero and Raboso grapes. Like Frizzenti it is light in alcohol, 11%, making it easy to drink. Frizzenti Rosato has a fruity bouquet with a distinctive raspberry note. Tangy on the palate, beautifully smooth with a good fruit acid.

Frizzenti Rosato makes a great welcome drink for a special occasion. Ideal for weddings and corporate events.

Frizzenti Prosecco D.O.P (11%)

AVAILABLE IN 75CL BOTTLE.
